## What's New for 2024: Wagoneer

November 16, 2023, Auburn Hills, Mich. - The 2024 Wagoneer builds on a rich legacy of premium American craftsmanship, heritage and refinement while offering unparalleled comfort and legendary 4x4 capability. When equipped with the Advanced All-Terrain Group, Wagoneer features four steel skid plates that protect the front axle, transfer case, fuel tank and rear sway bar stabilizer bushing. Three available 4x4 systems include Quadra-Trac I, Quadra-Trac II and Quadra-Drive II. With standard Selec-Terrain traction management system, which adjusts shift patterns, engine performance and torque distribution for maximum traction on tough roads, Quadra-Drive II features a rear electronic limited-slip differential (eLSD) that delivers industry-leading tractive capability. Covering the heart of the large SUV market, Wagoneer offers an advanced twin-turbo powertrain with first-rate driving dynamics and composed capability.

The epitome of American comfort and craftsmanship, Wagoneer's interior exudes refinement and elegance, offering a spacious third row as standard with seating for up to eight and best-in-class overall passenger volume and best-in-class second- and third-row legroom with the most cargo volume behind the third row. Leading-edge technologies, including the advanced Uconnect 5 system, Head-up Display, 360-degree surround view camera, up to 50 inches of total screen surface, available Amazon Fire TV Built-In and McIntosh audio system, offer an unmatched selection of premium interior features. Combining these attributes with strong SUV credentials, including best-in-class towing capability of up to 10,000 pounds, the Wagoneer builds on the original SUV by defining the next generation of an American icon.

### What's New

- Hurricane Twin Turbo I-6 engine, delivering 420 horsepower and 468 lb.-ft. of torque, is standard across Wagoneer lineup, including on base 2024 Wagoneer

### Highlights

- Hurricane Twin Turbo I-6 engine sets benchmark for power and efficiency in large SUV segment:
  - 420 horsepower and 468 lb.-ft. of torque
  - Up to 15% more efficient than larger V-8 engines
- Carbide Package, available on Wagoneer Series II, includes black exterior accents and interior accents, a panoramic tri-pane sunroof, adjustable roof-rail crossbars, cargo cover, reversible cargo mat and 20-inch Gloss Black painted wheels. Available as an option with the Carbide Package are 22-inch polished wheels with black inserts
- Legendary capability with three 4x4 systems: Quadra-Trac I, Quadra-Trac II and Quadra-Drive II with active low range and rear electronic limited-slip differential:
  - Crawl ratio of 48:1
  - Selec-Terrain traction management system
  - Up to 24 inches of water fording
- Quadra-Lift air suspension delivers a smooth ride and up to 10 inches of ground clearance
- Best-in-class towing capability of up to 10,000 pounds
- Exterior styling boasts a confident and elegant design with a timeless silhouette and embodies American authenticity with artisan levels of craftsmanship
- Interiors are designed to support active customers' lifestyles:
  - Best-in-class overall passenger volume and best-in-class second- and third-row legroom with the most cargo volume behind the third row
  - Standard third row with available seating for up to eight passengers, available on all trims

- Highly advanced user-friendly technology:
  - Up to 50 inches of total screen display available on Wagoneer
  - Up to 30 inches of screens along the front instrument panel
  - 10.1-inch reconfigurable center stack touchscreen displays feature split-screen capability for dual-application operation:
  - Uconnect 5 system is standard, features Wi-Fi capability
  - Wireless Android Auto and Apple CarPlay are standard equipment
  - Simultaneous connectivity for two Bluetooth-enabled phones
  - Amazon Fire TV Built-In, including access to hundreds of thousands of movies, TV shows and apps
  - Available 10.25-inch passenger screen on Wagoneer Series II and Series III has four major functions: Co-Pilot (navigation, device management), entertainment (via HDMI or Rear Seat Entertainment control), the ability to view the exterior vehicle cameras and Fire TV Built-in
  - Available 360-degree surround view camera and Intersection Collision Assist
  - Available wireless charge pad
- High-strength steel frame uses advanced materials and engineering to be lightweight, yet stiff and durable
- Body-on-frame design features premium on-road ride-and-handling characteristics with enhanced body torsional stiffness
- Electronically controlled suspension system delivers greater on-road handling and comfort
- McIntosh 950-watt premium audio system, featuring 19-speakers, including a 10-inch subwoofer with 3D surround system, provides an immersive audio experience
- Packed with more than 130 standard and available advanced safety and security features
- Available driver-assist technologies include Head-up Display, adaptive cruise control, drowsy driver detection and Traffic Sign Recognition
- Built in Warren, Michigan, the 2024 Wagoneer is scheduled to arrive in dealerships in the fourth quarter of 2023
