What's New for 2024: Grand Wagoneer L

November 16, 2023, Auburn Hills, Mich. - The 2024 Grand Wagoneer L builds on a rich legacy of premium American craftsmanship, heritage and refinement while offering an unparalleled level of comfort and legendary 4x4 capability. Competing in the premium large SUV space, Grand Wagoneer L offers an advanced powertrain with premium driving dynamics and composed capability. The epitome of American comfort and craftsmanship, Grand Wagoneer L's interior exudes refinement and elegance, offering a spacious third row as standard with seating for up to eight. Leading-edge technologies, including the advanced Uconnect 5 system, Head-up Display, 360-degree surround view and night vision cameras, up to 75 inches of total screen surface, available Amazon Fire TV Built-In and industry-first McIntosh audio system, offer an unmatched selection of premium interior features. Combining these attributes with strong SUV credentials, including best-in-class towing, the Grand Wagoneer L builds on the original SUV by defining the next generation of an American icon.

What's New:

- No major changes, as the Grand Wagoneer L was all new for 2023

Highlights:

- Standard Hurricane Twin Turbo 510 I-6 engine sets benchmark for power and efficiency in premium large SUV segment:
