2010 JEEP PATRIOT DELIVERS BEST-IN-CLASS CAPABILITY

Jeep Patriot is a tremendous value, combining the packaging, safety features and interior flexibility of a sport-utility vehicle (SUV) with performance, handling, and 29-mpg highway fuel economy. With its combination of fun, freedom, utility and best-in-class Jeep 4x4 capability, the 2010 Jeep Patriot sets apart from the competition.

Innovative technology affords Jeep Patriot more capability than any other vehicle in its class. Jeep Patriot is available in three drive configurations: front-wheel drive, Freedom Drive I™ (a full-time, active four-wheel-drive system with lock mode) and Freedom Drive II™ Off-Road Package (a full-time, active 4x4 system with with best-in-class 19:1 Low Ratio that provides true Jeep 4x4 Trail Rated® capability).

The Trail Rated Jeep Patriot equipped with Freedom Drive II Off-Road Package sits one inch higher than non-Trail Rated versions and meets Jeep off-road capability requirements for traction, water fording, articulation, maneuverability and ground clearance. The Off-Road Package's 17-inch wheels contribute to the Trail Rated Patriot's 9 inches of ground clearance, 29.6-degree approach angle, 34.2-degree departure angle and 23.3-degree breakover angle. In addition, Trail Rated models have additional body sealing and high-mounted drivetrain vents in order to support 19-inch water-fording capability.

The Freedom Drive II Off-Road Package utilizes a second-generation Continuously Variable Transaxle with a low ratio (CVT2L) to maximize off-road capability. In addition, 17-inch all-terrain tires, a full-size spare tire, skid plates, tow hooks and fog lamps separate Trail Rated Jeep Patriots from all other compact SUVs.

Jeep Patriot is designed for customers who want four-wheel-drive capability or the year-round versatility of front-wheel drive, excellent fuel economy and an attractive price point. With modern interior and classic Jeep exterior styling, including traditional round Jeep headlamps, seven-slot grille, muscular body-side flares, and strong stance—the 2010 Jeep Patriot broadens the classic Jeep design appeal to new customers.

NEW FOR 2010

- Five-speed manual transmission with 2.0-liter World Engine delivers 29 mpg highway (standard on Patriot Sport 4x2)
- Driver and front-passenger active head restraints (all models)
- Remote start (available with Security Group)
- Automatic climate control (available on Patriot Limited)

SAFETY AND SECURITY

More than 30 safety and security features including:

- Advanced Multi-stage Air Bags
- Supplemental Side Air Bags
- Electronic Stability Control (ESC)
- Electronic-roll Mitigation (ERM)
- Hill-start Assist (HSA)

2010 JEEP® PATRIOT AT A GLANCE

Rugged, classic Jeep® styling at an affordable entry-level price

- Immediately recognizable as a Jeep vehicle, Patriot expands the brand by providing an entry-level price point for the Jeep brand

More capability than any other vehicle in the compact SUV class

- Best-in-class 4x4 off-road capability (Trail Rated when equipped with Freedom Drive II™ Off-Road Package. Features include: low-range mode generating best-in-class 19:1 crawl ratio, Brake-traction Control System (BTCS), Hill-descent Control (HDC), Hill-start Assist (HSA) and 19-inch water-fording capability)

Confidence, safety and value

- Excellent 29-mpg highway fuel economy, along with standard Electronic Stability Control (ESC), Brake-traction Control System (BTCS), ABS, side-curtain air bags, Electronic-roll Mitigation (ERM) and Brake Assist

Innovative interior

- Flexible 60/40 split, fold-flat rear seats with available recline feature
- Available front-passenger seat that folds forward to create a table-like surface for versatility
- Available 115-volt power outlet in the center console that can power small electronics
- Dual-purpose, self-recharging LED removable interior cargo lamp mounted in the headliner above the cargo area can snap out of the bezel to serve as a flashlight
- Available Uconnect™ Multimedia with touch-screen and 30-gigabyte hard drive stores up to 6,700 songs, displays photos and plays DVD movies (when the vehicle is in Park)
- Available Uconnect Navigation combines Uconnect Phone and Uconnect Multimedia with navigation and real-time traffic. The system includes an integrated voice-recognition system and touch-screen for easy operation
- Available Sun and Sound Group with a sun roof, SIRIUS Satellite Radio (Sport "E" only), a leather-wrapped steering wheel with audio controls, nine Boston Acoustics speakers including subwoofer and two articulating speakers packaged in the liftgate. When the liftgate is open, speakers can swing down from the trim panel to face rearward for tailgating and other activities
- Removable, carpeted load floor
- Available stain-repel seat fabric
- Auxiliary audio input jack on standard radio for MP3 connectivity
- Available heated cloth or leather seats
- Illuminated LED cup holders

2010 JEEP® PATRIOT SPECIFICATIONS

Dimensions are in inches (millimeters) unless otherwise noted.

GENERAL INFORMATION

Body Style	Sport-utility vehicle
Assembly Plant	Belvidere, Ill.
EPA Vehicle Class	Compact SUV
Introduction Date	December 2006 as a 2007 model

ENGINE: 2.0-LITER DOHC 16-VALVE I-4 WITH DUAL VVT

Availability	Optional on 2WD Patriot Sport
Type and Description	Four cylinders in-line, tuned intake manifold with electronic Active Charge Motion-Control valves, dual counter-rotating balance shafts
Displacement	121.9 cu. in. (1998 cu. cm)
Bore x Stroke	3.39 x 3.39 (86 x 86)
Valve System	Chain-driven DOHC, 16 valves, electronically controlled dual VVT, direct-acting shimless mechanical bucket tappets
Fuel Injection	Sequential, multiport, electronic, returnless
Construction	High-pressure die-cast aluminum block with dry iron liners, cast-aluminum cylinder head, cast-aluminum ladder frame, forged steel crankshaft
Compression Ratio	10.5:1
Power (SAE net, estimated)	158 bhp (117 kW) @ 6,400 rpm (79 bhp/liter)
Torque (SAE net, estimated)	141 lb.-ft. (191 N•m) @ 5,000 rpm
Maximum Engine Speed	6,750 rpm (electronically limited)
Fuel Requirement	Unleaded regular, 87 octane (R+M)/2
Oil Capacity	5.0 qt. (4.7L) SAE 5W/20
Coolant Capacity	7.2 qt. (6.8L)
Emission Controls	Single catalytic converter, dual heated oxygen sensors and engine features
Smog-forming Pollution	0.9 g/mile (0.56 g/km) ^(a)
Estimated EPA Fuel Economy mpg (City/Hwy)	23/29 — 2WD with five speed manual transaxle
(2009 EPA Standards)	23/27 — FWD CVT

^(a) NMOG + NOx emission limits under ULEV II and Tier 2, Bin 5 emission requirements.

ENGINE: 2.4-LITER DOHC 16-VALVE I-4 WITH DUAL VVT

Availability	Standard on Patriot Sport and Limited
Type and Description	Four-cylinder in-line, tuned intake manifold with Electronic Active Charge Motion Control valves, dual counter-rotating balance shafts
Displacement	144 cu. in. (2360 cu. cm)
Bore x Stroke	3.46 x 3.82 (88 x 97)
Valve System	Chain-driven DOHC, 16 valves, electronically controlled dual VVT, direct-acting shimless mechanical bucket tappets
Fuel Injection	Sequential, multiport, electronic, returnless
Construction	High-pressure die-cast aluminum block with dry iron liners, cast-aluminum cylinder head, cast-aluminum ladder frame, forged steel crankshaft
Compression Ratio	10.5:1
Power (SAE net, estimated)	172 bhp (129 kW) @ 6,000 rpm (72 bhp/liter)
Torque (SAE net, estimated)	165 lb.-ft. (224 N•m) @ 4,400 rpm
Maximum Engine Speed	6,500 rpm (electronically limited)
Fuel Requirement	Unleaded regular, 87 octane (R+M)/2
Oil Capacity	5.0 qt. (4.7L) SAE 5W/20
