August 31, 2013, Auburn Hills, Mich. - For 2014, the Chrysler 200 Convertible provides consumers a fun, open-air driving experience featuring elegant craftsmanship inside and out, an extraordinary level of standard content, intuitive technology at a price that is pleasing to the wallet and a lively, responsive driving experience. The Chrysler 200 Convertible is an exciting alternative for customers who want the benefits of a coupe and the true open-air freedom of a convertible, all at a surprising value.

The 2014 Chrysler 200 Convertible is unique in the standard specialty segment as a true mid-size convertible that comfortably seats four adults and has room in the trunk, even when the power top is dropped. Consumers can choose from two automatically latching, power tops, a body-color-painted steel, retractable hardtop, or a cloth soft top, both of which can drop with the press of a button on the key fob or the center console.

With clean, sleek lines, the signature Chrysler grille and winged badge, LED light pipe accents in the front projector headlamps, LED tail lamps, a well-crafted interior including “soft-touch” armrests and one-piece instrument panel and premium touch points throughout the vehicle, the 2014 Chrysler 200 Convertible delivers a design with purpose and attainable luxury.

The 2014 Chrysler 200 Convertible provides drivers a fun, confident, handling performance in all driving situations, whether it's commuting to work or a weekend adventure on scenic roads. The Chrysler 200 Convertible offers the choice of two powertrains: the 3.6-liter Pentastar V-6 engine, which provides outstanding V-6 horsepower and exceptional fuel economy, or the proven 2.4-liter World Gas Engine. Both are mated to the 62TE six-speed automatic transmission. The 3.6-liter Pentastar V-6 engine produces 283 horsepower (211 kW) and 260 lb.-ft. (353 N•m) of torque and has an estimated U.S. EPA fuel economy rating of 19 miles per gallon (mpg) city and 29 mpg highway. The 2.4-liter I-4 World Gas Engine produces 173 horsepower (129 kW) and 166 lb.-ft. (225 N•m) of torque and has an EPA fuel economy rating of 18 mpg city and 29 mpg highway. The 200 Convertible has a five-year/100,000-mile powertrain warranty, and every available safety feature is standard on every model.

The 2014 Chrysler 200 Convertible is available in three different models in the United States – the Chrysler 200 Convertible Touring, the 200 Convertible Limited and the Chrysler 200 S model. All are packed with an exceptional level of standard content, exquisite style, safety and a dynamic, open-air driving experience at a surprising value.
