

FCA US LLC Responds to Proposed GHG Standards

June 19, 2015, Auburn Hills, Mich. - FCA US LLC supports and commends this initiative, as we did the collaboration that produced the national Phase I rule. It is imperative that the EPA, NHTSA and ARB continue their partnership and adopt the same 50-state strategy for Phase 2. FCA US remains committed to the proliferation of clean technology and reducing vehicle operating costs, while ensuring our products deliver the performance and functionality our customers demand and deserve.
