June 23, 2016, Auburn Hills, Mich. - The 2017 Chrysler Pacifica reinvents the minivan segment with an unprecedented level of functionality, versatility, technology and bold styling. Re-engineered from the ground up on an all-new platform, the Pacifica delivers class-leading gasoline and hybrid powertrains to the minivan segment. With more than 100 standard and available safety and security features, the all-new Uconnect Theater rear seat entertainment system, and a full array of comfort and convenience technologies, the Chrysler Pacifica is a no-compromises minivan ideally suited for today's families.

Highlights

- The 2017 Chrysler Pacifica was re-engineered from the ground up on an all-new platform, delivering class-leading ride and handling and reduced noise, vibration and harshness (NVH). Its body structure is the lightest and stiffest in its class, making it more responsive with lower levels of body roll and enhanced agility to absorb and distribute road inputs. Class-leading aerodynamics contribute to the Pacifica’s unsurpassed fuel efficiency of 28 miles per gallon (mpg) on the highway
- The all-new 2017 Chrysler Pacifica minivan features a choice of two powerful, efficient and advanced powertrains – the segment’s first hybrid vehicle, and the next generation of the award-winning Pentastar V-6 gasoline engine, which is mated to a segment-exclusive TorqueFlite nine-speed automatic transmission and delivers 287 horsepower and 262 lb.-ft. of torque
- The Pacifica Hybrid,the industry’s first electrified minivan, will deliver an estimated range of 30 miles solely on zero-emissions electric power from a 16-kWh lithium-ion (Li-ion) battery and an estimated 530-mile total gas and electric range. The pivotal technology behind the all-new Chrysler Pacifica Hybrid is its innovative electrically variable transmission (EVT). Designed by FCA US, the device features two electric motors, which are both capable of driving the vehicle’s wheels
- The all-new 2017 Chrysler Pacifica showcases the latest in advanced safety and security technology,

offering more than 100 standard and available features. Available for the first time on the all-new Pacifica is the Surround View camera, which uses four cameras positioned around the vehicle to provide 360-degree views, including a bird's eye perspective of the vehicle and its surroundings
- The 2017 Chrysler Pacifica is the most technologically equipped vehicle of its kind, offering an all-new Uconnect Theater entertainment system, 7-inch full-color driver information display, 8.4-inch touchscreen, acclaimed Uconnect Access and an array of other features
- For audiophile-quality sound, the Chrysler Pacifica comes standard with six speakers and Active Noise Cancellation. Premium audio systems, either a 13-speaker Alpine system or a 20-speaker Harman Kardon surround sound system, are also available
- Other convenience features include the available Stow 'n Vac integrated vacuum powered by RIDGID; redesigned Stow 'n Go seating and storage system with all-new Stow 'n Go Assist and Easy Tilt; and segment-first handsfree sliding doors and liftgate that open with the kick of a foot

Chrysler Brand
The Chrysler brand has delighted customers with distinctive designs, craftsmanship, and advanced innovation and technology since the company was founded in 1925. Chrysler continues to build on that nearly 100-year legacy of creating ingenious products and technologies for mainstream customers, moving forward on an electrified transformation that will launch the brand's first battery-electric vehicle in 2025 and an all-electric portfolio in 2028.

The Chrysler Pacifica continues to reinvent the minivan, a segment Chrysler created 40 years ago. The Chrysler Pacifica Plug-in Hybrid symbolizes the brand's electrification evolution, representing the first electrified minivan in the segment and achieving 82 MPGe, an all-electric range of 32 miles and a total range of 520 miles. Chrysler Pacifica delivers the most standard safety features and most advanced available all-wheel-drive system in its class and is also the most awarded minivan over the last seven years with more than 175 honors and industry accolades since its

introduction as a minivan.
