April 26, 2017, Auburn Hills, Mich. - Chrysler announced today the addition of the Touring Plus model to the [2017 Chrysler Pacifica](#) lineup, extending the appeal of the all-new minivan to more customers.

"The 2017 Chrysler Pacifica arrived in dealerships a year ago, and in that time, it has both resonated with our current minivan customers and brought new minivan buyers to the brand," said [Tim Kuniskis](#), Head of Passenger Car Brands – Dodge, SRT, Chrysler and Fiat, FCA – North America. "The addition of the new Touring Plus model to the Pacifica lineup builds on this success, delivering another option to meet the needs and price point of more customers."

The Pacifica Touring Plus model includes features like a power liftgate, three-zone automatic temperature control, premium fascia, projector headlamps, LED tail lamps, fog lamps, second- and third-row sunshades and universal garage door opener.

The Pacifica Touring Plus has a starting U.S. Manufacturer's Suggested Retail Price (MSRP) of \$32,360, excluding \$1,095 destination. Customers who order 18-inch wheels and the 8.4-inch Uconnect touchscreen system on their Touring Plus receive a single overhead DVD player (\$995 value) at no charge.

The Chrysler Pacifica Touring Plus is available in dealer showrooms now. With the addition of the Touring Plus model, the 2017 Chrysler Pacifica lineup consists of six models: LX, Touring, Touring Plus, Touring-L, Touring-L Plus and Limited.

The 2017 Chrysler Pacifica reinvents the minivan segment with an unprecedented level of functionality, versatility, technology and bold styling. Re-engineered from the ground up on an all-new platform, the Pacifica delivers class-leading gasoline and hybrid powertrains to the minivan segment. With more than 100 available safety and security features, the all-new Uconnect Theater rear seat entertainment system, and a full array of comfort and convenience technologies, the Chrysler Pacifica is a no-compromises minivan ideally suited for today's families and has earned its spot as the most awarded minivan of 2016 and 2017.

Chrysler Brand

The Chrysler brand has delighted customers with distinctive designs, craftsmanship, and advanced innovation and technology since the company was founded in 1925. Chrysler continues to build on that nearly 100-year legacy of creating ingenious products and technologies for mainstream customers, moving forward on an electrified transformation that will launch the brand's first battery-electric vehicle in 2025 and an all-electric portfolio in 2028.

The Chrysler Pacifica continues to reinvent the minivan, a segment Chrysler created 40 years ago. The Chrysler Pacifica Plug-in Hybrid symbolizes the brand's electrification evolution, representing the first electrified minivan in the segment and achieving 82 MPGe, an all-electric range of 32 miles and a total range of 520 miles. Chrysler Pacifica

delivers the most standard safety features and most advanced available all-wheel-drive system in its class and is also the most awarded minivan over the last seven years with more than 175 honors and industry accolades since its introduction as a minivan.
