

FCA US Fleet Product Preview to Visit 24 Cities

- 24-city preview begins May 9
- Eight-week tour launches in Dallas and Kansas City
- All FCA US brands represented at each half-day event
- First opportunity for fleet customers to drive the all-new 2017 Jeep® Compass and the all-new 2017 Chrysler Pacifica Hybrid minivan

May 5, 2017, Auburn Hills, Mich. - FCA US LLC fleet customers across the nation will have the opportunity to drive a variety of Chrysler, Jeep®, Dodge, Ram Truck and Fiat vehicles during the upcoming 2018 model-year FCA Product Preview.

This 24-city annual road tour for commercial, government and daily rental fleet customers kicks off on May 9 at sites in Dallas and Kansas City, and concludes June 29 in New York.

The stars of this year's preview are the all-new [2017 Jeep Compass](#) and the all-new [2017 Chrysler Pacifica Hybrid](#) minivan.

The all-new Compass expands the Jeep brand's global reach with an unmatched combination of attributes that includes legendary and best-in-class 4x4 off-road capabilities, advanced fuel-efficient powertrains, premium and authentic Jeep design, superior on-road driving dynamics, open-air freedom, and a host of innovative safety and advanced technology offerings.

The all-new 2017 Chrysler Pacifica reinvents the minivan segment with an unprecedented level of functionality, versatility, technology and bold styling. The Pacifica Hybrid takes this revolutionary vehicle a step further with its class-exclusive, innovative hybrid powertrain. It's the first electrified vehicle in the minivan segment and achieves 84 MPGe in electric-only mode and 33 miles of all-electric range. With more than 100 available safety and security features, the all-new Uconnect Theater rear seat entertainment system, and a full array of comfort and convenience technologies, the Chrysler Pacifica and Pacifica Hybrid are no-compromise minivans ideally suited for today's families.

"This is an excellent opportunity for our fleet and small business customers to test drive our all-new Jeep Compass and Chrysler Pacifica Hybrid minivan," said [Jeff Kommor](#), Vice President – U.S. Sales Operations, Fleet and Small Business Sales, FCA US LLC. "Both have been re-engineered from the ground up on all-new platforms, and both deliver class-leading safety and performance. We look forward to showcasing our new products, introducing 2018 model-year vehicle specs and demonstrating why FCA vehicles are above the competition."

Each half-day event will provide in-depth fleet product overviews, product walk-arounds, service presentations, driving routes and ample time to talk with the FCA Fleet team. Additional vehicles on tour include several that have been upfitted for specific vocations.

The Product Preview is an ideal time for FCA fleet and small business customers, as well as prospective customers, to drive the latest FCA vehicles at a location close to where they work and live. Commercial customers will learn about what's new for the entire 2018 model-year product lineup during these convenient and informative half-day events.
