

Alfa Romeo Giulia Named a *Car and Driver* 2018 Editors' Choice

- Alfa Romeo Giulia was also named to *Car and Driver's* 2018 [10Best Cars](#) this past November
- Alfa Romeo Giulia reinvents the premium mid-size sedan segment with an unprecedented level of Italian craftsmanship, class-leading performance, state-of-the-art technology and a true passion for driving
- Editors' Choice selections include all-new or significantly updated vehicles that *Car and Driver* drove, tested or evaluated in 2017

March 19, 2018, Auburn Hills, Mich. - The editors of *Car and Driver* named the [Alfa Romeo Giulia](#) – including the record-breaking Giulia Quadrifoglio – to its annual Editors' Choice list for 2018, recognizing the best cars on the market.

Car and Driver created their Editors' Choice awards to honor the many excellent vehicles — beyond those in the 10Best halo — that they would recommend to family and friends.

“For Editors' Choice, we look for exactly the same qualities that inform our 10Best selections: a vehicle's inherent value, how well it fulfills its intended mission relative to its segment competitors and how engaging it is from behind the wheel,” said *Car and Driver*. “We comb through every segment and consider all the vehicles we've driven, tested and evaluated — more than 700 last year alone.”

Alfa Romeo Giulia models feature an, all-aluminum, 2.0-liter turbocharged 4-cylinder engine with an eight-speed automatic transmission that delivers a class-leading, standard 280 horsepower and 306 lb.-ft. of torque, allowing it to launch from 0-60 mph in a best-in-class 5.1 seconds, and achieve a top speed of 149 mph.

As the lineup's “halo” model, the Giulia Quadrifoglio highlights Alfa Romeo's performance and motorsport expertise with all-aluminum 2.9-liter twin-turbocharged V-6 engine featuring best-in-class 505 horsepower, 0-60 miles per hour (mph) in 3.8 seconds and a record-setting 7:32 lap time around the legendary Nürburgring – the fastest time ever achieved by a four-door production sedan.

All Giulia models offer:

- Near-perfect 50/50 weight distribution thanks to Giulia's all-new rear-wheel-drive Giorgio architecture and class-exclusive standard carbon fiber driveshaft
- An extensive list of standard features, including leather seating, bi-xenon headlamps with LED daytime running lights, and back-up camera with park sensors
- Class-leading horsepower
- Unique Italian style and craftsmanship to the premium mid-size sedan segment
- A 55-year heritage of Giulia's lightweight, performance sedan tradition and more than 100 years of brand history, carving its legend on road courses around the globe

Alfa Romeo

Born in 1910 in Milan, Italy, Alfa Romeo has designed and crafted some of the most stylish and sporty cars in automotive history. That tradition lives on today as Alfa Romeo continues to take a unique and innovative approach to automobiles. The Alfa Romeo Stelvio sets a benchmark in performance, style and technology in an SUV. The award-winning Alfa Romeo Giulia delivers race-inspired performance, advanced technologies and an exhilarating driving experience to the premium midsize sedan segment. In early 2023, Alfa Romeo will offer its first compact SUV with the all-new Tonale. The globally available Tonale is part of a radical evolution taking place at Alfa Romeo, which looks ahead to a new era of electrification and connectivity. Alfa Romeo is part of the portfolio of brands offered by leading global automaker and mobility provider Stellantis.
