FCA Canada: 2019 Dodge Durango Enforcer Fact Sheet

August 27, 2018, Windsor, Ontario - Dodge has expanded its police vehicle lineup, entering the SUV segment, with an Enforcer version of the Dodge Durango. The 2019 Dodge Durango Enforcer – North America's high-performance police SUV – is equipped with world-class safety and security features, segment-first technology and tactical equipment. The Uconnect 7.0-inch display integrates law enforcement systems and innovative technology. The 2019 Durango Enforcer embodies the three qualities that every Dodge law enforcement vehicle is designed to maximize: safety, performance and efficiency.

Dodge recognizes that the heroic men and women who protect us must be equipped with a top-performing pursuit-rated vehicle. In addition to the legendary 5.7L V-8 HEMI® engine that delivers best-in-class power, Durango Enforcer offers the segment's most advanced all-wheel-drive (AWD) system for maximum tactical performance, all-weather traction and fuel-efficiency. With input from law enforcement officials, the 2019 Durango Enforcer continues to add improvements to meet the high expectations and performance needs of the heroes who protect us.

New for 2019:

- The 2019 Dodge Durango Enforcer adds a new front fascia with integrated brake-cooling air ducts for improved brake performance and durability
- For added control and stability, Durango Enforcer now features a new performance-tuned, load-leveling suspension to bolster its pursuit-level driving capabilities

Highlights:

- All Durango Enforcer models feature all-wheel-drive (AWD) and offer the standard 3.6-litre Pentastar V-6 engine rated at 293 horsepower (hp) and 260 lb-ft of torque or the available 5.7-litre V-8 HEMI model that's rated at 360 hp and 390 lb-ft of torque
- Dodge Durango Enforcer V-8 includes the segment's most technologically advanced AWD system with a segment-exclusive active transfer case to improve real-world fuel economy while also enhancing the vehicle's traction and handling
- Enforcer-rated hardware: performance-tuned suspension, load-leveling NIVOMAT shocks, 13.8-inch front and 13.0-inch rear pursuit-rated brake package, front- and rear-stabilizer bars, 18-inch tires on aluminum wheels and electronic stability control (ESC)
- As efficient as Energuide-estimated 9.6 L/100 km highway with the 3.6-litre Pentastar V-6 and 10.9 L/100 km highway with the 5.7-litre HEMI V-8 engine
- 2019 Durango Enforcer is available with a spot lamp wiring prep package, red/white auxiliary dome lamp and, when equipped with a HEMI V-8 engine and 800 cold cranking amp (CCA) battery
- Best-in-class 3,265 kilogram (kg) (7,200 lb) towing capability
- Under-vehicle mount for spare tire, maximizing interior cargo space and accessibility
- 205 millimetres (8.1 inches) of ground clearance for off-road capability
- Electronic eight-speed transmission for improved responsiveness and fuel economy
- Class-exclusive, K-9 friendly tri-zone interior temperature control
- Segment's longest wheelbase 3,042 millimetres (120 inches) for added stability and handling
- ParkView Rear Back-Up Camera with ParkSense Rear Park Assist
- 12-way power adjusting driver seat controls including 4-way lumbar adjust
- Certified speedometer
- 220-amp alternator
- Heavy-duty oil cooler and water pump
