## FCA Canada: 2020 Jeep Renegade Fact Sheet

August 31, 2019, Windsor, Ontario - The Jeep® Renegade delivers a unique combination of best-in-class off-road capability, open-air freedom and convenience, as well as fuel-efficient powertrains, including an available 1.3-litre turbocharged four-cylinder engine mated to a segment-first nine-speed automatic transmission. This combination contributes to outstanding on-road and off-road driving dynamics, world-class refinement and a host of innovative safety and advanced technology offerings.

### New for 2020

- New Global Telematics Box Module now standard on all models (late availability)
- Kenwood premium audio nine-speaker system (late availability)
- Safety & Security Group (Blind-spot Monitoring with Rear Cross Path Detection, Rain-Sensing Windshield Wipers, security alarm, tonneau cover) now available on Sport/Upland models
- LED Lighting Group (LED headlamps, daytime running lamps, taillamps, fog lamps) now available on North models with 2.4-litre engine
- Advanced Tech Group II (Forward Collision Warning with Mitigation, Lane Departure Warning with Lane Keep Assist, Adaptive Cruise Control, ParkSense Parallel/Perpendicular Park Assist with front and rear park sensors, automatic high-beam headlamps) now available on North models with 2.4-litre engine and Sport models
- Optional 19-inch wheel now available on North models with 2.4-litre engine

### Highlights

- Jeep Renegade expands the brand's vehicle lineup, competing in the growing small sport-utility vehicle (SUV) segment, while staying true to the adventurous lifestyle and 4x4 capability for which the Jeep brand is known
- Choice of two fuel-efficient engines:
  - New 1.3-litre direct-injection turbocharged engine mated to a nine-speed automatic transmission that increases fuel efficiency and reduces emissions, standard on Limited and Trailhawk models (optional on Sport and North), providing 177 horsepower and 210 lb.-ft. of torque
    - Active grille shutters (not on Trailhawk models) and engine stop-start (ESS) technology included for increased fuel efficiency
  - Fuel-efficient 2.4-litre Tigershark engine, standard on Sport and North models
- Both Jeep Active Drive and Active Drive Low 4x4 systems include the Jeep Selec-Terrain system, providing up to five modes (Auto, Snow, Sand and Mud modes, plus exclusive Rock mode on the Trailhawk model) for the best four-wheel-drive performance on- or off-road and in any weather condition
- Renegade Trailhawk delivers best-in-class Trail Rated 4x4 capability with standard Jeep Active Drive Low with improved 21.5:1 crawl ratio, 22 centimetres (8.7 inches) of ground clearance, skid plates, signature red front and rear tow hooks, up to 20.5 cm (8.1 in.) of wheel articulation, Hill-descent Control, up to 48.2 cm (19 in.) of water fording and up to 907 kilograms (2,000 pounds) towing capacity
- Segment-exclusive disconnecting rear axle and power take-off unit (PTU) optimize fuel efficiency of Jeep Renegade 4x4 models
- Jeep Renegade Trailhawk features fresh styling with rugged body forms and aggressive proportions, which enable best-in-class approach and departure angles purposely designed to deliver best-in-class off-road capability
- For segment-exclusive panoramic views, available My Sky open-air roof panel system conveniently stows

in the rear cargo area to provide passengers open-air freedom with ease

- Jeep Renegade is equipped with more than 70 standard and available safety and security features, including Forward Collision Warning and LaneSense Departure Warning
- Jeep Renegade offers advanced technology, including the available Uconnect 4C NAV multimedia centre with an 8.4-inch touchscreen radio with Apple CarPlay and Android Auto, navigation, HD radio, Bluetooth hands-free calling, voice command, streaming audio and SiriusXM Radio
  - Apple CarPlay enables iPhone users to access Apple Maps, messages, phone and Apple Music through Siri Voice control or the Uconnect touchscreen
  - Android Auto enables easy and safe access to Google voice search, Google Maps and Google Play Music via the Uconnect 7-inch touchscreen or steering wheel controls
  - Uconnect 4 system includes performance improvements with faster startup time, enhanced processing power and vivid imagery, plus higher resolution and sharper graphics
