2021 Ram 1500 HFE EcoDiesel Earns Unsurpassed 33 MPG; Joins Quickest, Fastest, Most Powerful and Most Fuel-efficient Ram 1500 Lineup Ever

- Ram 1500 Tradesman HFE EcoDiesel rated at an unsurpassed 33 mpg highway
- HFE EcoDiesel delivers 23 mpg city/33 mpg highway/26 mpg combined
- Ram 1500 lineup now includes unsurpassed fuel economy, best-in-class gasoline 4x4s and the quickest, fastest and most powerful pickup truck
- Ram is committed to innovation and powertrain leadership with 3.0-liter EcoDiesel V-6, 3.6-liter Pentastar eTorque mild hybrid V-6, 5.7-liter eTorque mild hybrid V-8 and supercharged 6.2-liter V-8 engines

February 10, 2021, Auburn Hills, Mich. - Ram Truck today announced that a new, more fuel-efficient model is joining its half-ton truck lineup, which already consists of the most fuel-efficient 4x4s and the quickest, fastest and most powerful pickup truck straight from the factory.

The 2021 Ram 1500 Tradesman HFE EcoDiesel delivers an unsurpassed highway rating of 33 mpg. HFE EcoDiesel's city and combined mpg ratings are 23 and 26, respectively. The HFE designation, or High Fuel Efficiency, is Ram's way of highlighting this model's excellent fuel efficiency.

"Ram is committed to innovation and powertrain leadership, and as the no-compromise benchmark for efficiency and performance, we continue to listen to customer input by offering unsurpassed fuel economy," said Mike Koval Jr., Ram Brand Chief Executive Officer – Stellantis. "The Ram 1500 is America's most powerful half-ton diesel pickup with 480 lb.-ft. of torque and the most capable light-duty diesel with towing capability up to 12,560 pounds, and delivers up to 1,000 miles of range on a single tank of fuel."

The Ram 1500 Tradesman HFE EcoDiesel is available on crew cab four-door models with a 5-ft. 7-in. bed and 20-inch aluminum wheels. Other features include a black bumper and grille, tonneau cover, wheel-to-wheel side steps and cloth bucket seats.

The 2021 Ram 1500 Tradesman HFE EcoDiesel is available in Bright White Clear Coat or Diamond Black Crystal. HFE EcoDiesel models start at \$42,240 MSRP (excluding \$1,695 destination) and go on sale in the second quarter of 2021.

Ram 1500

The [2021 Ram 1500](#) is the no-compromise benchmark for durability, technology, efficiency, performance and convenience with features never before offered in a pickup. The Ram 1500 features up to 12,750 pounds of towing capability and 2,300 pounds of payload. The eTorque mild hybrid system delivers improved fuel efficiency in both V-6 (standard) and V-8 configurations. The Ram 1500 is America's most powerful half-ton diesel pickup with 480 lb.-ft. of torque and most capable light-duty diesel with towing capability up to 12,560 pounds.

As a segment disrupter, the Uconnect 4C with a massive 12-inch touchscreen leads the segment in technology, featuring split-screen capability, 360-degree camera views, and exclusive content from SiriusXM with 360L and Personalized Stations Powered by Pandora. The 2021 Ram 1500 TRX is the first vehicle in the light-duty lineup to include the new Know & Go mobile app featuring an immersive experience for customers who want to learn more about their vehicles. Active safety and security systems include adaptive cruise control, Forward Collision Warning, Blind-spot Monitoring and Ready Alert Braking. Class-leading ride and handling are accomplished via a segment-exclusive link-coil rear suspension system with optional Active-level four-corner air suspension.

Ram Brand

In 2009, the Ram brand launched as a stand-alone division, focused on meeting the demands of truck buyers and delivering benchmark-quality vehicles. With a full lineup of trucks, the Ram 1500, 2500/3500 Heavy Duty, 3500/4500/5500 Chassis Cab and ProMaster vans. Ram builds trucks that get the job done and families where they need to go.

Ram continues to outperform the competition, setting the benchmark in the most important areas for truck buyers:

- Segment-first 1,000 lb.-ft of torque with Cummins Turbo Diesel
- Most luxurious: Ram 1500 Tungsten with air suspension, 24-way massage seats and 540 horsepower
- Best ride and handling with a double wishbone front suspension and five-link solid rear axle with available, segment-exclusive, active-level air suspension
- Best-in-class available rear leg room
- The most cargo space available in any traditional full size cargo van
- Most capable full-size off-road pickup – Ram Power Wagon
- Most awarded light-duty truck in America
- Highest owner loyalty of any half-ton pickup

The latest [J.D. Power APEAL study](#), which rates the emotional bond between customers and their vehicles, named the 2023 Ram 1500 as the best full-size light-duty pickup.

Ram is part of the portfolio of brands offered by leading global automaker and mobility provider Stellantis. For more information regarding Stellantis (NYSE: STLA), please visit www.stellantis.com.
