E-book takes comprehensive look at Alfa Romeo's love affair with Italian design

February 12, 2021, Windsor, Ontario - Ahead of Valentine's Day this Sunday, Alfa Romeo today announced *Passione*, an interactive e-book that chronicles the heritage, influences and exploration of the brand's passion for impactful and iconic Italian design over the last 110 years.

Created in partnership with Centro Stile Alfa Romeo in Turin, Italy, *Passione* examines the brand's unparalleled history and significance in global automotive design, and includes exclusive renderings and sketches from the designers at Centro Stile.

The chapters of *Passione* include:

- **Centro Stile** - Founded in 1971 and based in Turin, Centro Stile oversees design for Alfa Romeo.

- **Beauty and the beast** - Elegance meets strength. Style dresses speed. Alfa Romeo design speaks to both power and performance.
- **Design melting pot** - Bertone, Pininfarina, Zagato, to name a few. While most Italian car companies have partnered with one or two coachbuilders over time, Alfa Romeo has collaborated with several, creating a diverse catalog of iconic designs.
