March 31, 2021, Windsor, Ontario - Today, Ram 1500 and Jeep Wrangler were awarded Best Full-size Pickup and Best Adventure/Offroad vehicle respectively by the editors of [Auto123.com](http://Auto123.com).

According to Auto123.com, the Ram 1500 was chosen for its 'high quality interior, as well as its princely road manners, [as a] result of its air suspension'.

The [2021 Ram 1500](#) is the no-compromise benchmark for durability, technology, efficiency, performance and convenience with features never-before offered in a pickup. The Ram 1500 features up to 5,783 kilograms (12,750 pounds) of towing capability and 1,043 kg (2,300 lb.) of payload, racking up accolades for its comfort and capability.

The [2021 Jeep Wrangler](#) beat out the competition most notably for its innovation with the recent debut of the all-new Wrangler 4xe.
