September 23, 2021, Auburn Hills, Mich. - Ram today unveiled three models at the State Fair of Texas: the exclusive new 2022 Ram 1500 TRX Ignition Edition, 2022 Ram 1500 Longhorn SouthFork and the 2022 Ram 1500 (RAM)<sup>RED</sup> Edition. Each model offers truck buyers an even wider selection of exterior and interior appointments and content.

“Buyers demand a good-looking truck with easy-to-use features. They tell us their Ram trucks are an extension of their personality, and they want to stand out from the crowd,” said Mike Koval Jr., Ram Brand Chief Executive Officer – Stellantis. “Ram customers demand even more and our new models deliver that with a selection of exterior and interior appointments and content for even greater personalization.”

The Ram Truck display at the State Fair of Texas features a full lineup of Ram trucks starting September 24 and going through October 17 at Fair Park in Dallas.

### **Ram 1500 TRX Ignition Edition**

The Ram 1500 TRX Ignition Edition enhances the well-appointed TRX trim, offering performance truck buyers an even wider selection of unique content for even greater personalization. U.S. buyers will have to act quickly as there will only be 875 units available.
