

Hall Brothers Racing Inc. Inducted Into the International Monster Truck Hall of Fame

- Raminator driving team to be honored among best in monster truck history

November 17, 2021, N. Champaign, Ill. - Hall Brothers Racing Inc. announced that Mark and Tim Hall, owners and operators of the Ram Truck brand-sponsored monster trucks Raminator and Rammunition, have been inducted into the International Monster Truck Hall of Fame (IMTHF). The Hall Brothers are being recognized for their career of achievements as top monster truck competitors with others in the IMTHF Class of 2021.

"We and our entire team at Hall Bros. Racing are humbled and honored to be recognized by the International Monster Truck Hall of Fame," said Tim Hall, Hall Brothers Racing Inc. "For the last 35 years, we have been grateful to have the opportunity to do what we love; it is a magnificent feeling to be recognized as some of the best to do it. This is a defining moment in our career for sure."

In 2022, the Hall Brothers will celebrate their 35th anniversary as a racing team. Over the course of these prolific years, the Halls have accrued 28 series championships, 26 of which are attributed to driver Mark Hall. Mark is a multi-time MTRA Driver of the Year while his brother Tim is a multi-time MTRA Mechanic of the Year.

"The Ram Truck brand has been proud to support the extremely talented Hall Brothers team for 20 years," said Mike Koval Jr., Ram brand CEO – Stellantis. "We could not be more excited to celebrate all that they have accomplished in their Hall of Fame careers and have no doubt they will continue to reach new milestones with the Raminator and Rammunition trucks in the years to come."

From 2014 until 2020, the Hall Brothers' legendary Ram Truck-sponsored monster truck Raminator was recognized by the Guinness World Records for fastest monster truck, hitting an unprecedented speed of 99.10 miles per hour. To pair with its owners' accolades, Raminator has also been crowned MTRA Truck of the Year seven times.

Ram Brand

In 2009, the Ram brand launched as a stand-alone division, focused on meeting the demands of truck buyers and delivering benchmark-quality vehicles. With a full lineup of trucks, the Ram 1500, 2500/3500 Heavy Duty, 3500/4500/5500 Chassis Cab and ProMaster vans. Ram builds trucks that get the job done and families where they need to go.

Ram continues to outperform the competition, setting the benchmark in the most important areas for truck buyers:

- Segment-first 1,000 lb.-ft of torque with Cummins Turbo Diesel
- Most luxurious: Ram 1500 Tungsten with air suspension, 24-way massage seats and 540 horsepower
- Best ride and handling with a double wishbone front suspension and five-link solid rear axle with available, segment-exclusive, active-level air suspension
- Best-in-class available rear leg room
- The most cargo space available in any traditional full size cargo van
- Most capable full-size off-road pickup – Ram Power Wagon
- Most awarded light-duty truck in America
- Highest owner loyalty of any half-ton pickup

The latest [J.D. Power APEAL study](#), which rates the emotional bond between customers and their vehicles, named the 2023 Ram 1500 as the best full-size light-duty pickup.
