Dodge Uncovers Hot New Appearance for Brand's Three-row Muscle Car: Dodge Durango R/T HEMI® Orange

- Dodge Durango R/T HEMI® Orange expands reach of popular HEMI Orange appearance, first offered last year on Dodge Challenger and Dodge Charger
- Durango R/T HEMI Orange builds on orange cues inspired by the original color of the legendary HEMI engine
- Durango R/T HEMI Orange exterior highlights include orange and Gunmetal hood stripes, Midnight Grey and orange badging and a Satin Black taillamp
- Durango R/T HEMI Orange rolls on painted finish 20-inch Black Noise wheels
- Orange stitching inside embellishes all seats, including the SRT front seats and second-row captain's chairs
- Seatbacks on Durango R/T HEMI Orange embroidered with monochromatic Dodge Rhombi logo
- Orange stitching also extends to steering wheel, armrest, doors and more
- HEMI Orange Plus and HEMI Orange Tow N Go packages offer optional content, including 20-inch Lights Out wheels and orange Brembo brake calipers for HEMI Orange Tow N Go package
- HEMI Orange appearance for Dodge Durango R/T is available for order through dealers at an MSRP of \$1,995
- More information on Dodge Durango R/T HEMI Orange available this summer at [Dodge.com](https://www.dodge.com)

May 25, 2022, Auburn Hills, Mich. - The Dodge brand's three-row muscle car will sport a new look this summer: HEMI® Orange. First introduced last year for the Dodge Challenger and Dodge Charger, the popular appearance is now available for the [2022 Dodge Durango](#) R/T HEMI Orange.

"HEMI Orange is a hot option for the Dodge Challenger and Charger, and now we're expanding its reach by offering the Dodge Durango R/T HEMI Orange," said Tim Kuniskis, Dodge brand chief executive officer - Stellantis. "The Durango has a muscle-car attitude, and the eye-catching HEMI Orange appearance embraces the Dodge performance DNA that is our foundation."

The Dodge Durango R/T HEMI Orange appearance is inspired by the original orange color of the iconic HEMI engine that powered Dodge muscle cars for decades; the Durango R/T is fueled by the 5.7-liter HEMI V-8 engine.

The Dodge Durango R/T HEMI Orange stands out with unique orange and Gunmetal hood stripes, which complement the new-look Midnight Grey and orange exterior badging. The rear receives a Satin Black taillamp, while the Durango R/T HEMI Orange rolls on painted finish 20-inch Black Noise wheels. HEMI Orange is available on all Durango R/T exterior colors: Destroyer Grey, Diamond Black, Octane Red and White Knuckle.

All three rows of seats, including the SRT front seats and second-row captain's chairs, are trimmed in orange stitching, with a monochromatic Dodge Rhombi seatback logo. Orange stitching runs throughout the interior, accenting the instrument panel, door uppers and armrest, console lid, shifter boot and leather flat-bottom steering wheel.

Two packages are available for those seeking to add a full menu of content to the Dodge Durango R/T HEMI Orange: HEMI Orange Plus Package and HEMI Orange Tow N Go Package options.

The HEMI Orange Plus Package adds features including a power sunroof, 19-speaker Harman Kardon sound system, advanced safety features and much more. The HEMI Orange Tow N Go Package, available only for all-wheel-drive vehicles, adds advanced towing features, 20-inch Lights Out wheels, orange Brembo brake calipers, Bilstein high performance suspension, and additional features and content.

The Dodge Durango R/T HEMI Orange is available for order now through dealerships, with a U.S. manufacturer's suggested retail price (MSRP) of \$1,995 to add the HEMI Orange appearance. Optional HEMI Orange Plus and HEMI Orange Tow N Go packages are available at MSRPs of \$4,500 and \$5,095, respectively.

Build and price details for the Dodge Durango R/T HEMI Orange will be available later this summer on [Dodge.com](https://www.dodge.com). More information on Dodge, including the brand's [Never Lift](https://www.dodge.com/neverlift) plan, which provides a 24-month road map to Dodge's performance future, is available at [DodgeGarage.com](https://www.dodgegarage.com).

Dodge//SRT

For 110 years, the Dodge brand has carried on the spirit of brothers John and Horace Dodge. Their influence continues today as Dodge, America's performance brand, shifts into high gear with a lineup that delivers unrivaled performance in each of the segments in which the brand competes while moving forward to a future that includes electrified muscle in the form of the next-generation, all-new Dodge Charger.

The next-generation Dodge Charger electrifies a legend, with the Charger retaining its title as the world's quickest and most powerful muscle car led by the all-new, all-electric 2024 Dodge Charger Daytona Scat Pack. The all-new Dodge Charger will also offer performance choices via multi-energy powertrain options including the 550-horsepower Dodge Charger SIXPACK H.O., powered by the 3.0L Twin Turbo Hurricane High Output engine.

Dodge also keeps its foot on the gas as a pure performance brand with the 710-horsepower Dodge Durango SRT Hellcat, the most powerful SUV ever, and best-in-class standard performance in the compact utility vehicle segment with the Dodge Hornet.

Dodge is part of the portfolio of brands offered by leading global automaker and mobility provider Stellantis. For more information regarding Stellantis (NYSE: STLA), please visit www.stellantis.com.
