Stellantis Windsor Assembly Plant recognized by Wildlife Habitat Council (WHC) for Turkey Creek Cleanup on World Environment Day

June 5, 2022, Windsor, Ontario - Members of the Stellantis and Unifor Local 444 Windsor Assembly Plant Joint Workplace Committee including Plant Manager Dave Bellaire (far right) unveil a new Conservation Certification sign on behalf of the Wildlife Habitat Council ([WHC](#)). The plant was recognized by the WHC for promoting environmental sustainability within the local community where dozens of employee volunteers participated in a cleanup of Turkey Creek, located adjacent to the facility in observance of World Environment Day.

Stellantis North America

Stellantis (NYSE: STLA) is one of the world's leading automakers, aiming to provide clean, safe and affordable freedom of mobility for all. In North America, it's best known for producing and selling vehicles in a portfolio of iconic, innovative and award-winning brands, including Jeep®, Chrysler, Dodge//SRT, Ram, Alfa Romeo and Fiat. Stellantis is executing its [Dare Forward 2030](#), a bold strategic plan that paves the way to achieve the ambitious target of becoming a carbon net zero mobility tech company by 2038, while creating added value for all stakeholders.
