

2023 Alfa Romeo Giulia Fact Sheet

September 1, 2022, Auburn Hills, Mich. - The 2023 Alfa Romeo Giulia Sprint, Giulia Ti and Giulia Veloce deliver race-inspired performance with class-leading 280 horsepower, 306 lb.-ft. of torque, advanced technologies, seductive Italian style and an available all-wheel-drive system (AWD), while providing an exhilarating driving experience in the premium midsize sedan segment. The Giulia lineup adds Estrema and Lusso limited-edition models for the 2023 model year.

The Giulia Quadrifoglio represents the halo of the lineup and highlights Alfa Romeo's exclusive motorsports and performance expertise with a 505-horsepower, 2.9-liter, twin-turbocharged V-6 engine, earning the title of the most powerful Alfa Romeo regular production car and the quickest with a 3.8-second 0-60 mph time.

New for 2023:

- Giulia adds Estrema and Lusso special-edition models along with the existing four trims: Sprint, Ti, Veloce and Quadrifoglio
- New Estrema trim is based on the top-of-the-line Veloce trim. Estrema bridges the step to the high-performance Quadrifoglio model with standard adaptive suspension and a limited-slip differential
- New Lusso trim is an extension of the Ti trim. Lusso adds exclusive "Crema" Cannelloni-design leather seating surfaces, standard leather-upholstered dashboard and upper doors and standard 14-speaker Harman Kardon audio system

Standard convenience features:

- Front and rear heated seats
- Navigation system
- Wireless charging pad
- Auto-dimming rearview mirror
- Air quality system
- Trunk-mounted grocery bag hooks and cargo net (Ti and Veloce)

Standard exterior features:

- Dark appearance, dark grille and daylight opening (DLO)
- Sport front fascia
- Veloce-exclusive finned rear diffuser
- 35W bi-xenon adaptive headlamps

Standard interior features:

- Aluminum column-mounted paddle shifters (Sprint and Veloce)
- Dark headliner (Sprint, Ti, and Veloce)
- Aluminum sport pedals and footrest (Sprint, Ti and Veloce)

Highlights

Available advanced driving assistance system (ADAS) features Level 1 and 2 autonomy and high level of safety and security content, including:

- Highway Assist System
- Traffic Jam Assist system
- Traffic Sign Recognition
- Lane Keep Assist
- Active Blind-spot Assist
- Driver attention alert
- Intelligent Speed Assist
- Standard Full-speed Forward Collision Warning-Plus

Standard 8.8-inch center touchscreen display with state-of-the-art connectivity and additional standard content, including:

- Driver-configurable interactive widgets and horizontal scroll for additional personalization with improved layout, vehicle performance pages and expanded navigation view
- Standard 7-inch thin-film transistor (TFT) driver instrument cluster screen displays vehicle information, including advanced ADAS functionality and vehicle information pages
- Host of connectivity features: Wi-Fi hotspot, mobile app with remote operations, SOS Call (private) and Roadside Assistance, Vehicle Finder, Stolen Vehicle Locator and Assistance and select Firmware Over the Air (OTA) updates

Upscale interior with premium content:

- Upscale center console features leather-wrapped gear shifter with bright accents, premium rotary knobs and dial materials, open front storage with large cup holders, abundant storage capacity and available wireless mobile phone charging pad
- Steering wheel designs for all Giulia models include high-end materials and bezel finishes adding distinctive style
- All Giulia sedans are well-equipped with standard leather seating, Apple CarPlay, Android Auto, SiriusXM radio, keyless passive entry, remote start, bi-xenon headlamps with LED daytime running lamps (DRL) and LED taillamps, Alfa DNA Drive Mode selector, backup camera with rear park sensors and Full-speed Forward Collision Warning-Plus
- The sports car of its segment, Giulia features near perfect 50/50 weight distribution and class-leading power and performance with key race-inspired features, including a class-exclusive carbon-fiber driveshaft, flat-bottom Formula One-inspired steering wheel, Alfa DNA Drive Mode selector and an eight-speed automatic transmission with available steering column-mounted aluminum paddle shifters with gear shifts in less than 100 milliseconds

Powertrain:

- Giulia Estrema, Lusso, Sprint, Giulia Ti and Giulia Ti Sport feature an all-aluminum, 2.0-liter direct-injection turbocharged engine with class-leading, standard 280 horsepower and 306 lb.-ft. of torque, delivering 0 to 60 mph in 5.1 seconds and a top speed of 149 mph
- All Giulia sedans feature an eight-speed automatic transmission with available column-mounted aluminum paddle shifters, providing enthusiasts with shifts in less than 100 milliseconds
- The Ferrari-derived, 505-horsepower V-6 twin-turbocharged engine in the Giulia Quadrifoglio delivers 0-60 mph in 3.8 seconds and a top speed of 191 mph
- Giulia Quadrifoglio features a best-in-class power-to-weight ratio of approximately 7 pounds per horsepower, as well as the most direct steering available, thanks to a rear-wheel-drive-based Giorgio architecture with extensive use of lightweight materials
- Giulia Quadrifoglio features distinct styling and the most powerful production Alfa Romeo engine ever developed with a 505 horsepower and 443 lb.-ft. of torque, 2.9-liter twin-turbocharged and intercooled V-6 engine, carbon fiber hood, roof and rear spoiler, adaptive performance suspension, Alfa DNA Pro with Race Mode, torque vectoring rear differential, carbon fiber active aero front splitter, Harman Kardon premium audio system, carbon fiber interior trim and 3-D navigation
- The performance-inspired Giulia Quadrifoglio also benefits from unique design features, including standard anodized brake calipers with red Alfa Romeo script and signature 19-inch bright five-hole aluminum wheels
