- For complete information on Dodge and the brand's Never Lift plan, which provides a 24-month road map to Dodge's performance future, visit Dodge.com and DodgeGarage.com

August 15, 2022, Windsor, Ontario - Dodge Challenger customers looking to add a convertible top to the world's quickest, fastest and most powerful muscle car are in luck: enthusiasts can pursue third party convertible modifications through Drop Top Customs, the oldest convertible coachbuilder in the U.S.

Customers and dealers interested in adding a drop-top to their Challenger are encouraged to reach out to Drop Top Customs directly to confirm arrangements for transportation, convertible modifications, and pricing.

The new third-party Challenger convertible fulfillment process was announced at M1 Concourse in Pontiac, Michigan, during the first day of the three-day Dodge Speed Week event series, which featured announcements and reveals of current Dodge muscle products.

"While we hit the throttle towards our new performance path, Dodge is also having fun on this victory lap by celebrating decades of muscle car power," said Tim Kuniskis, Dodge Brand Chief Executive Officer - Stellantis. "What better way to commemorate how far we've come than to make it easier for Dodge Challenger customers to create a throwback convertible look."

Dodge Challenger convertibles were offered as production vehicles for only two model years, 1970 and 1971. More than half a century later, Dodge customers can contact Drop Top Customs to customize their dream convertibles. Customers will work closely with Drop Top Customs to customize their vehicle to fit their specifications. Convertible modifications will be available for 2022 and 2023 Dodge Challenger R/T, Scat Pack 392 and all SRT models.

Drop Top Customs has 46 years of modification experience, creating convertibles, including modern-era Dodge Challenger convertibles, that feature a fully hydraulic power top with structural reinforcements that reduce body flex while retaining interior space. Quality design, padded roof and heated glass rear window result in uncompromised comfort and provide sound and temperature insulation. More information on Drop Top Customs is available at www.droptopchallenger.com.

Dodge//SRT

For more than 100 years, the Dodge brand has carried on the spirit of brothers John and Horace Dodge. Their influence continues today as Dodge shifts into high gear with muscle cars and SUVs that deliver unrivaled

performance in each of the segments where they compete.

Dodge drives forward as a pure performance brand, offering SRT versions of every model across the lineup. For the 2022 model year, Dodge delivers the drag-strip dominating 807-horsepower Dodge Challenger SRT Super Stock, the 797-horsepower Dodge Charger SRT Redeye, the most powerful and fastest mass-produced sedan in the world, and the Dodge Durango SRT 392, North America's fastest, most powerful and most capable three-row SUV. Combined, these three muscle cars make Dodge the industry's most powerful brand, offering more horsepower than any other North American brand across its entire lineup.

In 2020, Dodge was named the "#1 Brand in Initial Quality," making it the first domestic brand ever to rank No. 1 in the J.D. Power Initial Quality Study (IQS). In 2021, the Dodge brand ranked No. 1 in the J.D. Power APEAL Study (mass market), making it the only domestic brand ever to do so two years in a row.

Dodge is part of the portfolio of brands offered by leading global automaker and mobility provider Stellantis. For more information regarding Stellantis (NYSE: STLA), please visit www.stellantis.com.

Stellantis does not manufacture or distribute a Dodge Challenger convertible. Vehicle conversion is provided by an independent third party. The conversion is not covered by the new vehicle limited warranty that accompanies a new Dodge Challenger vehicle, and Dodge provides no other warranty for the vehicle conversion provided by the independent third party. Any third party modifications of Dodge Challenger vehicles performed by Droptop Customs will only be made upon instructions given by an authorized Dodge dealer. Droptop Customs is an independent third party. Droptop Customs is not an agent or affiliate of Stellantis, and Droptop Customs is not an authorized Dodge dealer. Stellantis is not responsible for Droptop Customs products or services, including without limitation any modifications performed by Droptop Customs on Dodge Challenger vehicles. Stellantis does not endorse Droptop Customs or its products or services. Any vehicle modifications performed by Droptop Customs have been performed on a third party basis. Stellantis does not warrant any work performed by Droptop Customs. Stellantis disclaims all liability for any defect or damage caused to any vehicle by Droptop Customs or for any claim brought by any person in connection therewith. Stellantis will not be responsible for any loss or damage to any vehicles as a result of any action or inaction by Droptop Customs. Dodge Challengers are subject to limited availability. Please speak with an authorized Dodge dealer for additional details.
