2023 Chrysler 300 Fact Sheet

September 1, 2022, Auburn Hills, Mich. - The 2023 Chrysler 300 embodies elegant design and iconic style, wrapped in luxury and injected with performance. The 300 delivers a model lineup packed with segment-exclusive features and advanced technology, including the standard Uconnect 4C system, paired with a largest-in-class 8.4-inch touchscreen, with Apple CarPlay and Android Auto.

A TorqueFlite eight-speed automatic transmission comes standard on every 300 model, with a class-exclusive, all-wheel-drive (AWD) system with front-axle disconnect available for Touring and Touring L models. The AWD system features a front-axle disconnect that engages at any speed without the need for driver input and enables optimal traction and control based on a variety of inputs, including environment/weather conditions, driving styles and road surfaces.

Chrysler 300 offers a 5.7-liter HEMI® V-8 engine, available on the 300S, the only V-8 engine in its class. Delivering power to the pavement to the tune of 363 horsepower and 394 lb.-ft. of torque, the Chrysler 300 is America's big, bold sedan, making a statement through striking design, sophisticated interiors and a variety of style packages that help customize the luxury vehicle.

Chrysler Brand

The Chrysler brand has delighted customers with distinctive designs, craftsmanship, and advanced innovation and technology since the company was founded in 1925. Chrysler continues to build on that nearly 100-year legacy of creating ingenious products and technologies for mainstream customers, moving forward on an electrified transformation that will launch the brand's first battery-electric vehicle in 2025 and an all-electric portfolio in 2028.

The Chrysler Pacifica continues to reinvent the minivan, a segment Chrysler created 40 years ago. The Chrysler Pacifica Plug-in Hybrid symbolizes the brand's electrification evolution, representing the first electrified minivan in the segment and achieving 82 MPGe, an all-electric range of 32 miles and a total range of 520 miles. Chrysler Pacifica delivers the most standard safety features and most advanced available all-wheel-drive system in its class and is also the most awarded minivan over the last seven years with more than 175 honors and industry accolades since its introduction as a minivan.
