February 15, 2023, Windsor, Ontario - The [2023 Jeep® Renegade](#) – known for its best-in-class off-road capability – is getting a bold appearance and fun-to-drive personality with the Upland trim for the 2023 model year. The special edition pairs rugged off-road looks and legendary Jeep 4x4 performance with a well-appointed interior and upgraded content. Also, back by popular demand is the vibrant Solar Yellow exterior paint colour, which is available on all Renegade trims, including the Upland edition.

“The 2023 Jeep Renegade is a fun compact SUV with a big personality. These well-known characteristics are even more evident with the popular Upland edition, which is packed with legendary Jeep 4x4 capability, rugged good looks and premium appointments – all at affordable price point,” said Jim Morrison, senior vice president and head of Jeep brand North America. “Our vibrant exterior colour palette is something we take great pride in, so reviving Solar Yellow for the Renegade lineup is yet another example of a standout exterior shade that speaks to our loyal and avid Jeep community.”

Based on the popular North trim, the Jeep Renegade Upland has a Canadian manufacturer's suggested retail price (MSRP) of \$995 for the package, and features a signature matte black hood decal, an off-road-ready front and rear fascia, cornering fog lamps, automatic headlamps, windshield wiper deicer, Gloss Black badging, 17-inch aluminum wheels with aggressive all-terrain tires, 7-inch thin-film transistor cluster display, premium topographic black cloth bucket seats with bronze inserts, ambient lighting, Techno-leather steering wheel, plus Uconnect 4 with a standard 8.4-inch touchscreen display and GPS navigation – the largest standard navigation system in its class.

The Jeep Renegade Upland 4x4 model comes standard with a 1.3-litre turbocharged four-cylinder engine mated to a segment-first nine-speed automatic transmission. The Jeep Active Drive full-time 4x4 automatic system delivers seamless operation in and out of four-wheel drive, at any speed with no driver intervention. The Jeep Selec-Terrain system, providing four modes (Auto, Snow, Sand and Mud) for the best performance in any weather condition, is also standard.

All Renegade models are equipped with more than 70 safety and security features, including standard Full-Speed Forward Collision Warning with Active Braking (not available on Trailhawk and Upland), Blind-spot Monitoring and Active Lane Management System.

In addition to Solar Yellow, the 2023 Jeep Renegade Upland edition is available in Alpine White, black, Colorado Red, Slate Blue and Sting Grey for a total of six exterior colour options

The Jeep Renegade Upland edition and Solar Yellow exterior colour are now available for order at Canadian Jeep dealers.
