- Stellantis brands Dodge, Ram and Alfa Romeo own the industry podium, taking 1-2-3 spots in the J.D. Power [2023 U.S. Initial Quality Study](#) (IQS)

July 3, 2023, Auburn Hills, Mich. - FCA US LLC reports sales of 434,648 vehicles in the second quarter for 2023. Overall, total U.S. sales for the second quarter increased 6% versus the same period last year.

"We saw increased demand this quarter as market conditions continue to improve and our dealer network makes the necessary adjustments to drive sales growth across our brand portfolios," said U.S. Head of Sales Jeff Kommor.

"The Jeep® Wrangler 4xe recorded its best quarter to date and retains its ranking as the best-selling plug-in hybrid in the U.S., with the Grand Cherokee 4xe at No. 2 and the Chrysler Pacifica Hybrid at No. 4. We're also seeing extremely positive results from the quality side, with the Dodge, Ram and Alfa Romeo brands owning the top three spots in the J.D. Power 2023 U.S. Initial Quality Study (IQS)."

The Ram brand total U.S. sales increased 3% over the same period last year. The Ram brand's ProMaster van saw its best-ever quarter in both total and retail U.S. sales, increasing 27% and 58% respectively over the same period last year. The Ram ProMaster City increased 2% versus the same quarter last year.

The Ram brand's commercial fleet channel's total U.S. sales increased 19% versus the same period last year.

The [Jeep Wrangler 4xe](#), which notched its best-ever quarter to date, saw total sales of the vehicle increase 56% versus the same period last year. Jeep Wrangler 4xe is *America's best-selling plug-in hybrid vehicle, followed by the [Grand Cherokee 4xe](#) at No. 2. The Jeep Wrangler 4xe accounted for 36% (16,949 units) of total Wrangler sales in the second quarter. The Jeep Grand Cherokee 4xe accounted for 15% (10,761 units) of total Grand Cherokee sales in the second quarter.

The Jeep Compass (up 28%) and Jeep Grand Cherokee (up 19%) posted total U.S. sales gains over the same quarter last year.

The Chrysler brand's total U.S. sales recorded growth of 33% versus the same quarter last year. The Chrysler Pacifica drove the gains, up 40% in total U.S. sales versus Q2 2022. Total U.S. sales of the Chrysler Pacifica Hybrid, which holds the No. 4 spot among the top-selling PHEVs in the U.S., increased 112% over the same period last year. The Chrysler Pacifica Hybrid accounted for 19% (8,763 units) of the nameplate's total sales in the second quarter.

Deliveries of the limited edition [2023 Chrysler 300C](#), revealed at last year's Detroit Auto Show, began in the second quarter.

The Dodge brand's total U.S. sales increased 37%, with the Charger up 7% and Durango up 223% in total sales versus the same quarter last year. The Dodge Hornet G/T is in dealerships now and the Dodge Hornet R/T will begin arriving at dealerships in early Q3. The all-new [Dodge Hornet](#), unlocking the gateway to Dodge muscle, offers the quickest, fastest, most powerful compact utility vehicle under \$30,000, bringing buzz to the segment with unmistakable Dodge styling cues and performance.

The [2024 Alfa Romeo Tonale](#), manufactured at the Pomigliano d'Arco plant in Naples, Italy, is shipping to dealerships now. The [Tonale](#) enters the premium compact CUV segment with standard all-wheel drive, more than 30 miles of electric range (48 kilometers) and a starting U.S. manufacturer's suggested retail price (MSRP) of \$42,995.

Stellantis brands Dodge, Ram and Alfa Romeo own the industry podium in the [J.D. Power 2023 U.S. Initial Quality Study](#) (IQS). Dodge topped the 33 brands ranked by J.D. Power, followed by Ram and then Alfa Romeo.

These latest results mark the fourth consecutive year that [Dodge](#) has placed among the top two brands.

Ram climbed 16 places to finish second – its third time among the study's top three brands since 2020. And Alfa Romeo soared 24 places – the greatest jump in this year's IQS – to finish first among premium brands and third in the industry.
