September 12, 2023, Auburn Hills, Mich. - Derek and Hannah Jeter are appearing in “ [Drove All Night](#),” the new advertising campaign introducing the next chapter of work for the Grand Wagoneer. The Wagoneer by Jeep® brand launched a multi-year [brand partnership](#) with the Jeters last October.

“The story behind ‘Drove All Night’ was inspired by conversations with Derek and Hannah and their commitment to being present for their family in big and small ways,” said Marissa Hunter, senior vice president, Stellantis North America. “Both Derek and Hannah are incredibly authentic, successful across many dimensions, and they truly treasure the importance of family and family values. Grand Wagoneer is a perfect fit for their growing family, and we feel very fortunate to have them as part of our Jeep family.”

In the 30-second “ [Drove All Night](#)” spot, Derek’s plane has been grounded due to weather, and it’s clear that it’s important for Derek to get to his final destination as soon as possible. The Grand Wagoneer takes Derek on his journey throughout the night, delivering him home to be greeted by Hannah and his children just in time to take them to school.

The spot will run across broadcast and cable channels, including college and NFL football, as well as Major League Baseball.

“Drove All Night” was created by the Jeep brand in partnership with Chicago-based Highdive agency.
