Canada: 2024 Ram 1500 FACT SHEET

September 7, 2023, Windsor, Ontario - The 2024 Ram 1500 is the no-compromise benchmark for durability, technology, efficiency, performance and convenience with features never before offered in a pickup. The Ram 1500 features up to 5,783 kilograms (12,750 pounds) of towing capability and 1,043 kilograms (2,300 pounds) of payload. The eTorque 48-volt mild hybrid system delivers improved fuel efficiency in both V-6 (standard) and V-8 configurations. The 2024 Ram 1500 TRX has been rigorously tested to handle the most punishing conditions with extreme capability and durability on its way to being the most powerful mass-produced pickup in its class.

The Uconnect 5 system with a 12-inch touchscreen features advanced technology that includes split-screen capability, 360-degree camera views, and content from SiriusXM with 360L and Personalized Stations Powered by Pandora. Active safety and security systems include Adaptive Cruise Control with Stop & Go, Forward Collision Warning, Blind-spot Monitoring and Ready Alert Braking. Class-leading ride and handling are accomplished with a link-coil rear suspension system with segment-exclusive, active-level, four-corner air suspension with adaptive damping.

New for 2024:

- 2024 Ram 1500 TRX 6.2L Supercharged V8 Final Edition offers new, unique exterior colours and premium content to mark the conclusion of 6.2L Supercharged V8 production. The 2024 Ram 1500 TRX 6.2L Supercharged V8 Final Edition includes bead-lock capable wheels, a 6.2-litre hood badge and TRX bed decal, all in an exclusive Satin Titanium colour. Ram TRX 6.2L Supercharged V8 Final Edition features three new exterior colours for TRX – Delmonico Red, Night Edge Blue, and Harvest Sunrise. Inside, the TRX 6.2L Supercharged V8 Final Edition includes Patina stitching on the dashboard and seats, an embroidered “TRX” seat back logo in Patina, a leather and carbon fibre flat-bottom steering wheel and carbon fibre accents on the driver’s cluster display. A unique cluster splash screen, ultra-premium centre console badge showcasing the build number, passenger-side TRX dashboard badge, and suede door panel inserts are also included
- Ram 1500 Tradesman Warlock returns for 2024 with enhanced off-road features straight from the factory including an electronic rear-locking differential, skid plates, 25 mm (1-inch) raised ride height, 33-inch Goodyear Wrangler DuraTrac® tires, and Bilstein® front and rear performance tuned-shock absorbers
- 2024 Ram 1500 now includes Tailgate Ajar warning lamp as standard equipment across the lineup
