Canada: 2025 Chrysler Grand Caravan Fact Sheet

September 2, 2024, Windsor, Ontario - The 2025 Chrysler Grand Caravan provides unmatched value for Canadian families. Available exclusively in Canada and built on 40 years of minivan leadership, the well-equipped Grand Caravan holds its own distinct position in the award-winning Chrysler minivan lineup, offering space, efficiency, unique and sophisticated design and an exceptional driving experience, with over 100 standard and available security features.

The made-in-Canada Chrysler Grand Caravan is built in Windsor, Ontario, and powered by the award-winning 3.6-litre Pentastar V-6 engine producing 287 horsepower and 262 lb.-ft. of torque, paired with a segment-exclusive TorqueFlite nine-speed automatic transmission. For 2025 Grand Caravan receives interior and technology upgrades while delivering exceptional value Grand Caravan customers expect. The interior receives all-new standard leather-faced seats, all black interior theme, super console, second-row sunshades and three-zone automatic temperature control. Technology enhancements include the Uconnect 5 10.1-inch radio and 7-inch driver digital information cluster.

Chrysler Grand Caravan comes standard with a long list of safety features, including seven air bags, daytime running lights, electronic stability control, Brake Assist, Child Seat Anchor System (LATCH), ParkView rear backup camera and more. New standard safety for 2025 Grand Caravan includes Rear Park Assist, adaptive cruise control, Lane Departure Warning and Blind-Spot Monitoring and Rear Cross Path detection.

As the first to introduce the minivan and through six generations of the vehicle, Chrysler brand has innovated 117 minivan firsts. The company has sold more than 15 million minivans globally since 1983, twice as many as any other manufacturer in the past 38 years.
