- Chrysler Sebring sedan sales in Europe increased 66 percent year-to-date (3,599 units) compared to the same time period last year.

### **Brand Sales**

- The Dodge brand sales increased 28 percent year-to-date (45,716 units).
- Jeep® sales held steady (61,460 units) during the same time period, while Chrysler brand sales declined 18 percent (46,608 units).

Chrysler LLC sells and services vehicles in roughly 120 countries around the world. Sales outside North America currently account for approximately 10 percent of the Company's total global sales, up from six percent in the year 2000. Vehicles available range across all three Chrysler brands, with limited availability on some trucks and SUV models. The Company's operations outside North America have been experiencing year-over-year sales increases since 2004, with a record number of vehicles sold in 2007. In 2008, Chrysler LLC will launch three all-new volume vehicles outside North America, one for each one of its brands, and will remain focused on strategic, profitable growth in markets around the world.
