**Chrysler LLC Statement Re: Request From Congress for a Business Plan Regarding Government Financial Assistance**

November 19, 2008, Auburn Hills, Mich. -

Chrysler LLC appreciated the opportunity to appear before Congress the past two days and looks forward to reviewing its plan in detail, in the near future. The Company is prepared to meet the "accountability and viability" criteria laid out today and is ready to provide its plans for returning Chrysler to profitability, as we move beyond this unprecedented financial crisis. Chrysler is changing and will continue to change.
