2010 Dodge Grand Caravan Cargo Van—Efficient Transportation Solution for Business and Commercial Needs

NEW FOR 2010

- Improved payload capacity by 20 percent (1,800 lbs. vs. 1,500 lbs.)
- Driver and front-passenger active head restraints (late availability)

With its spacious interior, commercial-grade cargo suspension, and minivan-first dual-sliding doors and flat-load floor, Dodge Grand Caravan C/V offers an efficient, versatile and quality-proven solution for an array of business needs.

With more than 25 years of minivan engineering and as the inventor of the first minivan-based cargo van, Dodge understands the versatility needs for both small and large businesses. Dodge Grand Caravan C/V utilizes the convenience features and city-friendly dimensions that have made the family-friendly Grand Caravan a segment leader, while maximizing on its cargo, convenience and capability attributes.

Best-in-class aerodynamics and a 3.3-liter V-6 Flex-Fuel (E85) capable engine provide the 2010 Dodge Grand Caravan C/V with efficient dynamics. With its 175 horsepower (131 kW) and 205 lb.-ft. of torque (278 N•m), Dodge Grand Caravan C/V delivers 144.4 cubic feet of cargo capacity, maximum Gross Vehicle Weight Rating (GVWR) of 6,050 lbs., Gross Combined Weight Rating (GCWR) of 7,000 lbs., improved payload capacity of 1,800 lbs. and impressive towing capacity of 1,800 lbs.

Designed for commercial-duty minivan from the ground-up, Dodge Grand Caravan C/V is engineered with unique hydraulic power-assist rack-and-pinion steering, heavy-duty suspension with commercial-tuned ride, front anti-roll bar, and a rear twist-beam axle with coil springs and load-leveling. With standard Electronic Stability Control (ESC), Tire-pressure Monitoring (TPM), four-wheel Anti-lock disc Brake System (ABS) and ideal command-of-the-road seating for long trips Grand Caravan is known for, Dodge Grand Caravan C/V offers capability, comfort and convenience with great road manners.

With each business having specific needs, Dodge Grand Caravan C/V offers an array of factory upfit options from Mopar to meet specific requirements, including: exterior vinyl window shades, full-width cargo dividers, wire mesh and solid metal window interior inserts, a cargo compartment floor mat and a molded wall liner to maximize interior volume. Premium options include daytime running lights, power eight-way driver seat, security alarm, Uconnect™ Phone, Uconnect Navigation, SIRIUS Satellite Radio and heavy-duty engine cooling system.

Dodge Grand Caravan Cargo Van

AT A GLANCE

- Dodge Grand Caravan C/V is engineered from the ground-up to meet small business and commercial needs
- Commercial-tuned ride, heavy-duty load-leveling suspension and Flex-fuel (E85) capable V-6 engine offer maximum hauling capability, while technologies including Electronic Stability Control (ESC) and Tire-pressure Monitoring (TPM) offer added safety and piece of mind
- Payload capacity improvement, now up to 1,800 lbs.
- Available technology features include SIRIUS satellite radio, hands-free Uconnect Phone and Uconnect Navigation with voice commands and real-time traffic monitoring
- Command-of-the-road two-passenger seating allows for comfortable chair-height seating, while Grand Caravan C/V's flat-load floor offers maximum cargo space
- Easy cargo access with dual-sliding doors

- Abundant Mopar accessories, including full-width cargo dividers, solid metal window interior inserts, a cargo compartment floor mat, and molded wall liner
- For maximum storage capacity, rear seats are not included
